MESSAGE FROM THE EXECUTIVE DIRECTOR OF THE PUERTO RICO TOURISM COMPANY

Greetings,

At the Puerto Rico Tourism Company we work to promote the diversification of the island's tourism offer. As a vital part of this objective, we focus on facilitating the creation and solidification of small and medium-sized inns such as those that are part of our Bed & Breakfast Program, which contribute significantly to the economic development of the tourism industry on the Island.

The Bed & Breakfast (B&B) concept offers guests a personalized, family-friendly experience, through beautiful and diverse settings in Puerto Rico. The B&Bs consist of cozy residences with a minimum of three (3) to a maximum of six (6) rooms, in which the resident of the property becomes the host and operator of the accommodation. The B&B distinguishes itself by the breakfast service, which is an integral part of the rate. The B&B experience permits guests to discover the culture and tourist attractions of a destination, under the intimate and specialized service of a local family.

Currently, the B&B Program of the Tourism Company is composed by the following inns: Dos Ángeles del Mar B&B, in Rincón; Casa Campo B&B, in San Sebastián; San Sebastián B&B, in San Sebastián; 4 Casitas, in Cabo Rojo; A 2 Tiempos, in San Germán; Casa Sol B&B, in Old San Juan; Casa Isabel B&B, in the Condado; Dos Aguas B&B, in Río Grande; Rainforest Inn B&B, in Río Grande and Casa Flamboyant B&B, in Naguabo.

We hope you enjoy this publication and serves as a guide to plan your stay in these astounding family inns. We invite you to learn and and enjoy more about the history, gastronomy and tourist attractions that surround them.

Cordially,

Carlos Mercado Santiago
Executive Director
Puerto Rico Tourism Company
